Bombay, 3rd February, 1996.

G. D. Parekh  
Additional Registrar (Adm.)

## Department of Mines

### Order

No. 96/496/88-Mines

In exercise of the powers conferred by sub-section (2) of section 8 of the Mines and Minerals (Regulation and Development) Act, 1957 (Central Act 67 of 1957), read with sub-rule (2) of rule 24A of the Mineral Concession Rules, 1960, the Government of Goa hereby renews the mining lease in favour of M/s. Chowgule & Co. Ltd. (hereinafter referred to as 'The Lessee') for undertaking mining operations for Iron in the area shown in the schedule appended to this Order for a period of 17 years 8 months and 26 days (from 22-11-1987 to 16-8-2005) subject to the special conditions as laid down hereinafter to be incorporated in the lease deed which shall be executed by the Lessee and the Governor of Goa:-

1. The Lessee shall carry out at his expenses such experiment on remedial measures as directed by the Director of Industries and Mines, Government of Goa or any other officer authorised by him and shall report the result to him.
2. The Lessee shall allow, co-operate with and provide all facilities to the experts authorised by the Government to carry out research work or experiments on remedial measures in his leased area or dumping sites.

3. The Lessee shall, at his own expenses undertake remedial measures to the satisfaction of the Director of Industries and Mines, Government of Goa (hereinafter called Director of Industries and Mines) to prevent damage to the agricultural or forest land due to the flow of mining rejection or wastes or slimes resulting from his mining operations, within a reasonable time or such time as may be directed by the Director of Industries and Mines.
4. If the Director of Industries and Mines or the officer authorised by him in this behalf, is of the opinion that any active dump causes or will cause damage to the agricultural or forest land, which cannot be prevented, he may by order in writing, direct to stop further dumping on such dump. No such order shall however be made unless the lessee is afforded a reasonable opportunity of stating his case.
5. The Lessee shall undertake to rehabilitate the land left over after the mining operations are concluded, through soil conservation measures to the satisfaction of the Government and within such reasonable time as the Government may by an order in writing specify.
6. In the event of the failure on the part of the Lessee to undertake the aforesaid measures within the stipulated period, the Government without prejudice to any other action it may take against the Lessee, may take the requisite steps to rehabilitate the said land and recover the expenses incurred for such work from the Lessee as arrears of land revenue.
7. The Lessee shall undertake necessary measures to consolidate the dumps by planting suitable species of grass, legumes, or trees, etc. as may be directed by the Director of Industries and Mines, from time to time.
8. The Lessee shall undertake to plant elsewhere within the leased area at least as many trees as are removed during the mining operations.
9. The Lessee shall not dump or allow it to be dumped any rejects at any point within a distance of 100 metres from the bank of any river of nallah and 50 metres from the lease boundary, except with the previous written permission of the Government.
10. The Lessee shall not discharge or allow it to be discharged any muddy and slinky water from the beneficiation/washing plant and shall provide settling tanks of proper design and adequate capacity for settling solids so that only decanted water may overflow.
11. The Lessee shall undertake the work of desilting of drains and streams outside the leased area periodically to prevent them from being choked and shall provide check dams to facilitate the settling of suspended solids.
12. The Lessee shall take necessary steps not to overload or allow it to be overloaded the trucks carrying the ore/rejects from the leased area to any loading point or stock yard.
13. The Lessee shall make and pay such reasonable compensation to the owner or tenant or occupant of the land or property situated in the leased area or in the vicinity of the leased area which is damaged or injured or disturbed as a result of mining operation or due to the flow of mining rejects slimes or wastes from the mine as the case may be, as may be assessed by the Collector South Goa in accordance with the law in force on the subject and shall indemnify or keep indemnified fully and completely the Government against all claims which may be made by person or any persons in respect of any such damage, injury or disturbance and all costs and expenses in connection therewith.

14. The Lessee shall obtain surface rights or obtain consent of the owner/occupier of land before entering the land for commencement of mining operations in the area.
15. Legal status of forest land will remain unchanged.
16. Compensatory afforestation to be raised over the degraded forest land twice in extent to the forest area to be broken up afresh (18.2952 ha. x 2 = 36.5904 ha.) at the cost of the user agency.
17. Additional dues if any, in the cost estimates of raising compensatory afforestation over double degraded forest land as per present wage structure shall be deposited by the user agency in favour of the Forest Department immediately.
18. Compensatory afforestation to be raised over degraded forest area equivalent to the area being kept as buffer zone (19.6813 ha.) in a phased manner at the cost of the user agency by raising plantations over 1/10th of the area every year.
19. Mine area reclamation and revegetation should be carried out concurrently to the maximum extent possible.
20. Top soil should be preserved and used for carpeting the reclaimed mine area. Care should be taken to preserve the nutrient value of the top soil during storage.
21. Effective pollution control measures with respect to air quality, water quality and noise level should be implemented.
22. Stable protective wall should be constructed around the rejection dump and other protective measures be taken to minimise the adverse impacts due to wash-off from rejection dump.
23. Regular monitoring of environmental parameters should be carried out and report submitted to Regional Office of this Ministry and State Pollution Control Board periodically.
24. Adequate fund provision should be made for implementation of above measures.
25. The forest land should not be used for any purpose other than specified in the proposal.

M/s. Chowgule & Co. Ltd., shall on peril of revocation of this order execute within a period of 180 days from the date of communication of this order a deed of lease as contemplated under rule 31 of the Mineral Concession Rules, 1960.

#### SCHEDULE

District	Taluka	Village	Area in hectares	T. C. No.
South Goa	Sanguem	Tudou	91.40 ha.	42/57

By order and in the name of the Governor of Goa.

J. M. de Almeida, Joint Secretary (Mines).

Panaji, 8th January, 1996.

Order

No. 96/246/88-Mines

In exercise of the powers conferred by sub-section (2) of section 8 of the Mines and Minerals (Regulation and Development) Act, 1957

(Central Act 67 of 1957), read with sub-rule (2) of rule 24A of the Mineral Concession Rules, 1960, the Government of Goa hereby renews the mining lease in favour of M/s. V. M. Salgaocar & Bfo. Ltd. (hereinafter referred to as 'The Lessee') for undertaking mining operations for Iron in the area shown in the schedule appended to this Order for a period of 17 years 5 months and 18 days (from 22-11-1987 to 9-5-2005) subject to the special conditions as laid down hereinafter to be incorporated in the lease deed with shall be executed by the Lessee and the Governor of Goa:-

1. The Lessee shall carry out at his expenses such experiment on remedial measures as directed by the Director of Industries and Mines, Government of Goa or any other officer authorised by him and shall report the result to him.
2. The Lessee shall allow, co-operate with and provide all facilities to the experts authorised by the Government to carry out research work or experiments on remedial measures in his leased area or dumping sites.
3. The Lessee shall, at his own expenses undertake remedial measures to the satisfaction of the Director of Industries and Mines, Government of Goa (hereinafter called Director of Industries and Mines) to prevent damage to the agricultural or forest lands due to the flow of mining rejection or wastes or slimes resulting from his mining operations, within a reasonable time or such time as may be directed by the Director of Industries and Mines.
4. If the Director of Industries and Mines or the officer authorised by him in this behalf, is of the opinion that any active dump causes or will cause damage to the agricultural or forest land, which cannot be prevented, he may by order in writing, direct to stop further dumping on such dump. No such order shall however be made unless the lessee is afforded a reasonable opportunity of stating his case.
5. The Lessee shall undertake to rehabilitate the land left over after the mining operations are concluded, through soil conservation measures to the satisfaction of the Government and within such reasonable time as the Government may by an order in writing specify.
6. In the event of the failure on the part of the Lessee to undertake the aforesaid measures within the stipulated period, the Government without prejudice to any other action it may take against the Lessee, may take the requisite steps to rehabilitate the said land and recover the expenses incurred for such work from the Lessee as arrears of land revenue.
7. The Lessee shall undertake necessary measures to consolidate the dumps by planting suitable species of grass, legumes, or trees, etc. as may be directed by the Director of Industries and Mines, from time to time.
8. The Lessee shall undertake to plant elsewhere within the leased area at least as many trees as are removed during the mining operations.
9. The Lessee shall not dump or allow it to be dumped any rejects at any point within a distance of 100 metres from the bank of any river or nallah and 50 metres from the lease boundary, except with the previous written permission of the Government.
10. The Lessee shall not discharge or allow it to be discharged any muddy and slimy water from the beneficiation/washing plant and shall provide settling tanks of proper design and adequate capacity for settling solids so that only decanted water may overflow.

11. The Lessee shall undertake the work of desilting of drains and streams outside the leased area periodically to prevent them from being choked and shall provide check dams to facilitate the settling of suspended solids.
12. The Lessee shall take necessary steps not to overload or allow it to be overloaded the trucks carrying the ore/rejects from the leased area to any loading point or stock yard.
13. The Lessee shall make and pay such reasonable compensation to the owner or tenant or occupant of the land or property situated in the leased area or in the vicinity of the leased area which is damaged or injured or disturbed as a result of mining operation or due to the flow of mining rejects slimes or wastes from the mine as the case may be, as may be assessed by the Collector South Goa in accordance with the law in force on the subject and shall indemnify or keep indemnified fully and completely the Government against all claims which may be made by any person or persons in respect of any such damage, injury or disturbance and all costs and expenses in connection therewith.
14. The Lessee shall obtain surface rights or obtain consent of the owner/occupier of land before entering the land for commencement of mining operations in the area.
15. Legal status of forest land will remain unchanged.
16. Compensatory afforestation to be raised over the degraded forest land twice in extent to the forest area to be broken up afresh (15.67 ha. x 2 = 31.34 ha.) at the cost of the user agency.
17. Additional dues if any, in the cost estimates of raising compensatory afforestation over double degraded forest land as per present wage structure shall be deposited by the user agency in favour of the Forest Department immediately.
18. Compensatory afforestation to be raised over degraded forest area equivalent to the area being kept as buffer zone ( ) in a phased manner at the cost of the user agency by raising plantations over 1/10th of the area every year.
19. Mine area reclamation and revegetation should be carried out concurrently to the maximum extent possible.
20. Top soil should be preserved and used for carpeting reclaimed mine area. Care should be taken to preserve the nutrient value of the top soil during storage.
21. Effective pollution control measures with respect to air quality, water quality and noise level should be implemented.
22. Stable protective wall should be constructed around the rejection dump and other protective measures be taken to minimise the adverse impacts due to wash-off from rejection dump.
23. Regular monitoring of environmental parameters should be carried out and report submitted to Regional Office of this Ministry and State Pollution Control Board periodically.
24. Adequate fund provision should be made for implementation of above measures.
25. The forest land should not be used for any purpose other than specified in the proposal.

M/s. V. M. Salgaocar & Bros. Ltd., shall on peril of revocation of this order execute within a period of 180 days from the date of communication of this order a deed of lease as contemplated under rule 31 of the Mineral Concession Rules, 1960.

Order

No. 1/3/96-IWT

In exercise of the powers conferred by clause (b) of sub-section (1) of section 4 and section 20 of the Inland Vessels Act, 1917 (Central Act 1 of 1917) (hereinafter referred to as the 'said Act'), the Government of Goa hereby appoints the Captain of Ports, Panaji-Goa, the Deputy Captain of Ports, Mormugao-Goa, and the Marine Engineer and Ship Surveyor as Surveyors and examiners for the purposes of the said Act.

Further, in pursuance of section 21 of the said Act, the Government of Goa hereby also appoints the Captain of Ports, Panaji-Goa, for the purposes of section 21 of the said Act.

This supersedes the Government Notification No. 1/515-74-IPD dated 14-8-1974, published in the Official Gazette, Series II, No. 21 dated 22-8-1974.

By order and in the name of the Governor of Goa.

*Celina Dias e Caldeira*, Under Secretary (Transport).

Panaji, 14th June, 1996.

Order

No. 1/23/96-IWT

Read: Govt. order No. 1/23/96-IWT dated 7-6-96.

In supersession of Govt. order referred to above, Govt. is pleased to accept the notice dated 8-4-96 for voluntary retirement in terms of rule 48 of C.C.S. Pension Rules, tendered by Shri Shiv Shanker, Hydrographic Surveyor, from the Department of Captain of Ports, Panaji.

Shri Shiv Shanker stands relieved from the post w.e.f. 7-7-96 A.N.

Shri Shiv Shanker shall hand over the charge to the Dy. Hydrographic Surveyor in the Captain of Ports Department on 5-7-96 A.N. 6th and 7th July being public holidays.

By order and in the name of the Governor of Goa.

*Celina Dias e Caldeira*, Under Secretary (Tpt.).

Panaji, 2nd July, 1996.
